You are invited to attend a second Community Open House in Louisa County to meet with the Joshua Falls–Yeat project team, learn about the project, ask questions and provide feedback.

The Joshua Falls–Yeat 765 kV Electric Transmission project proposes construction of an approximately 115-mile, 765 kV electric transmission line connecting the existing Joshua Falls Substation in Campbell County, Virginia to a proposed new substation in Culpeper County, Virginia.

This open house is an opportunity for one-on-one conversation with the project team. There will be no formal presentation. Detailed routing maps representing each county crossed will be available for viewing.

A Spanish translator will be available.

Louisa County Community Open House

Thursday, March 26, 5:30-7:30 p.m.

Betty J. Queen Center

522 Industrial Drive, Louisa, VA 23093
