☐ Please check this box and include your email above to be included in our e-newsletter.

Please select any features that may apply to your property.

- ☐ House, shed or other structure
- ☐ Springs, streams, wetlands, sensitive species or protected areas
- ☐ Cave, sinkhole, mine or portal
- ☐ Approved or documented planned project
- ☐ Existing conservation easement
- ☐ Historical or archaeological feature (i.e. homestead, Native American site)
- ☐ Underground utilities or pipelines (i.e. gas, water, oil, etc.)
- ☐ Agricultural features including irrigation systems, drainage tiles, etc.
- ☐ Other land use such as private airstrips, past landfills, buried waste, radio or cellular antennas, etc.

Tell us about current and planned future uses of your property, unique conditions and other information that may not be obvious from maps, aerial imagery or public records that you would like us to consider when evaluating the potential routes.

Example: “Route B is on the west side of my property and there is an existing gas line parallel to this potential route.”

Do you prefer one potential route over the others?

Are there any additional comments that you have about the project you would like to share?

Are there any questions that our team was not able to answer for you today? If so, please list them here and provide an email that we may use to provide a response when available.
